of Documents:** Ventilatori elicoidali Serie MP, Serie PMA, Serie PMA / C,
Serie TE - TR

Manufacturer: Ciesse S.r.l.

Address: Via Colletta, 2 - Villaggio Crostolo
I-42100 Reggio Emilia
Italy

The Certification Body for Explosion Protection of the RWTÜV Systems GmbH, notified body number 0044 in accordance with Article 9 of the Council Directive 94/9/EC of 03.23.1994, confirms the receipt and retention of documents for equipment intended for use in potentially explosive atmospheres given in Annex II to the Directive.

This Confirmation of Filing applies for equipment of groups I and II, categories M2 and 2 which neither has an internal combustion engine nor consists of electrical devices.

This confirmation only relates to the receipt and retention of documents by the Notified Body. Further requirements of the Directive 94/9/EC, e.g. the application of the internal control of production in accordance with Annex VIII of the Directive, and the scope of the documents to be retained in accordance with Annex VIII Number 3 are in the responsibility of the manufacturer and not covered by the confirmation.

Date Received: 28.12.2004

**End of Agreed Period
of Retention:** 28.12.2014
